Summer UG Research Certification Letter

Name of Student: CHENG Yiran

This is to certify that Mr CHENG Yiran (PolyU Student No.: 16098521D) is a full-time undergraduate student in the Bachelor of Science (Honors) programme in Computing at The Hong Kong Polytechnic University (PolyU).

The student will attend the Summer UG Research Programme in The University of British Columbia (UBC), Canada, from 1 August to 1 September 2018. Prof. Victor Leung (vleung@ece.ubc.ca) of UBC Wireless Networks and Mobile Systems (WiNMoS) Laboratory and Dr Henry Chan of Department of Computing at PolyU will coordinate and plan the activities for Mr CHENG during his stay in UBC. Planned activities included visits to facilities and meetings with faculty and research group on networking projects.

Mr CHENG will not be enrolled in any credit-bearing class at UBC; neither will he hold an appointment or employment with UBC. The purpose of the visit is to broaden Mr CHENG's vision of computing research and to enhance his exposure to the international academic research community. The visit is sponsored by the PolyU Undergraduate Summer Research Abroad Sponsorship (HKD33,333) provided by the International Affairs Office at the Hong Kong Polytechnic University.

Upon completion of the programme, the student will return to Hong Kong and continue the studies in PolyU.

Thank you for your attention.

Yours faithfully,

Eric Lo
